SIZE ’em right!

Little feet grow fast! Measure them before your order.

For shoe sizing accuracy:

1. Print this page at 100% on 8.5” x 11” paper.
2. Check to see if a credit card fits in this space.
3. If it does, you’re good to measure!

Ready, set, measure!

1. Before starting, make sure your child is barefoot.
2. Place print out on a hard, flat surface.
3. While standing against the wall, place heel where directed.
4. Read the first line past the longest toe.
5. Repeat for other foot. Order size that fits the largest foot best.
